Advice to visitors from countries reporting COVID-19

If you are arriving from a country reporting COVID-19 case(s), provide details of your residence and telephone contact to port health desk, you will be required to self-quarantine for 14 days.

Should you develop any of the symptoms, contact Ministry of Health emergency teams on **0729471414** and **0732353535**. Dial ***265#** to receive updates from Safaricom.
