The pricing for the items mentioned in the tender to include comprehensive and preventive maintenance including the supply of spares so that there is no any additional cost or billing to the Government during the contract period.
3	The dimensions of the equipment are defined in the tender specification section, however due to the nature of the project, the specification may vary across levels of hospitals and size of the hospitals	For certain equipment the dimensions of the equipment provided by the vendor can be greater than or equal to the ones provided in the tender specification sheet. Due to the nature of the project, the specification may vary across levels of hospitals and size of the hospitals.
4	The bidder is allowed to provide only 1 quote and vendor, which may be a limiting factor in the supply of the number of equipment required, due to the nature of the project.	The bidder is allowed to provide multiple options with alternate vendors at the same price and specifications throughout the period of the contract, so as to ensure the bidder meets the requirements in terms of the quantity and timely delivery due to the nature of the project.

The above clarifications will form part of the Evaluation criteria.

In line with the above captioned, the Tender is hereby extended to **Friday 15th March 2024 at 10.00 am** to allow bidders to take into account the above clarifications before submission of their bid documents.
