

**REPUBLIC OF KENYA**

**MINISTRY OF HEALTH**

**INTERNATIONAL TENDER**

**EXPRESSION OF INTEREST FOR CONSTRUCTION AND EQUIPING OF A TEACHING AND REFERRAL HOSPITAL**

The Government of Kenya intends to construct and equip a **new 2,000 bed teaching and referral Hospital at Kiplombe, Eldoret town** through a **turnkey contract** using concession loan from The EXIM Bank of China. The proposed hospital is planned to be set up under the focus of providing primary, secondary and tertiary quality healthcare to public at large and will be in phases whose estimated completion period will not exceed **six (6) years**.

Competent interested firms/consultant(s)/consortium with ten (10) years' experience in similar work in Africa and with solid financial standing including an annual turnover of US \$1 billion in the last three (3) years, are requested to submit EXPRESSION OF INTEREST (E.O.I.) detailing their capacity to provide complete technical support in terms of design and execution of the construction on turnkey basis, supply bio medical equipment and medical furniture as required including installation and commissioning.

The selected party shall broadly undertake the following activities:

- a) Prepare detailed project scope, budget estimates, schedules for activities, technical specifications, detailed building and development plan, tender documents for selection of civil and other allied services contractor(s), equipment supply, hospital furniture and fixtures, etc.
- b) Liaising with the Government, negotiate and implement competitive project financing through concessionary loans and grants negotiations.
- c) Build or get built the Multispecialty Hospital comprising services related to the disciplines of Architecture, Civil, Structural, Plumbing and Sanitation Engineering, Mechanical, Electrical, HVAC Engineering, Fire Protection, Site Utilities, IT and Telecommunication, Piped Medical Gases, Bio-Medical Waste Management, Rain water harvesting, Interior Designing, Signage, landscaping and all other facilities required for such a hospital.
- d) Liaising with Ministry of Health, guide procurement of all diagnostic equipment, laboratory setup and all other utility systems necessary for a multispecialty hospital.
- e) Liaising with competent authorities (National and County Government(s). Bodies/Corporations etc.) to obtain all requisite statutory clearances/approvals/permissions from commencement of the construction till occupation of the building and for operation of the hospital.
- f) Close-out and handover a fully operational Multispecialty Hospital to the Ministry of Health.

Expression of Interest (EOI) in English should be submitted in plain sealed envelopes labeled "**Expression of Interest (E.O.I.) for construction and equipping of 2000 bed teaching and Referral Hospital Project**" should be mailed to the

**Principal Secretary,  
Ministry of Health,  
P. O. Box 30016 - 00100,  
Afya House,  
NAIROBI .**

or be deposited in the Ministry's tender box located on ground floor, AfyaHouse Cathedral road on or before **24<sup>th</sup>March, 2015 at 12:00 noon.**

Shortlisted firms/consultant(s)/consortium shall be required to make a presentation before the Technical Committee at the Office of Ministry of Health based on the documents submitted and presentation made, selected firms will be considered for Request for Proposal (RFP) immediately thereafter.
